

## Inauguration Of Music & Dance Forums:

Date :- 1st October 2016

Venue :- Visvesvaraya Auditorium

Narayana Engineering College, EEE Department has organized inauguration function of forums for music and dance for undergraduate students. According to the tradition, program began with lightning of lamp by the Principal Dr.Jagadeshwar Reddy, Academic in charge Dr.I.Prabhakar Reddy and all head of departments.

*“Music is the food for soul, the art that goes in the ears straight to the heart.”*

&

*“Dance is conversation between body and soul”*

The objective of this forum is to provide a plat form to develop music and dance skills. It creates new opportunities for talented students in the field of dance, singing and in program’s of state and national level.

Immediately the cultural started after the inauguration. Girls of NECN have performed Dandiya at open air auditorium. Interested candidates have performed dance and few students participated in singing. Audience enjoyed all the performances. The environment in the auditorium has raised a bit high as soon as cultural’s have started. Finally, program ended with vote of thanks.
