| Title | : <b>SEMINAR ON ELECTRICAL OPPORTUNITIES<br/>IN POWER SECTORS</b> |
| Date  | : <b>20<sup>th</sup> October 2014</b>                             |
| Venue | : <b>Edison Auditorium, Dept. of EEE, NEC, Nellore</b>            |

At present Power is one of the most critical components of infrastructure, crucial for the economic growth and welfare of nations. The existence and development of adequate infrastructure is essential for sustained growth of the Indian economy. To bring awareness on this concept the Department of Electrical and Electronics Engineering of Narayana Engineering College, Nellore organized "**Seminar on Electrical Opportunities in Power Sectors**" for IV year B.Tech EEE Students on 20th October 2014 at Edison Auditorium.

The Seminar has begun with the inaugural speech of Dr.I. Prabhakar Reddy, Head of the Department of Electrical and Electronics Engineering and he introduced the Seminar objectives to the participants.

The Resource Person to this Seminar Ms. K. Lakshmi, Project Manager Sivaram Electrical Industry, Nellore, is an alumni of NEC, Nellore. She highlighted on the India's power sector which is one of the most diversified in the world. Sources of power generation range from conventional sources such as coal, lignite, natural gas, oil, hydro and nuclear power to viable non-conventional sources such as wind, solar, and agricultural and domestic waste.

Faculty and IV year EEE Students have participated actively and during interactive session with the Resource person, he has clarified the doubts of the students. A total of 61 students were benefitted from the seminar.
