

NARAYANA ENGINEERING COLLEGE: NELLORE

DEPARTMENT: EEE

1) Awareness Program on Fire Accidents:

Narayana Engineering College Organized An “Awareness Program On Fire Accidents” in Association With Andhra Pradesh State Which Conducted By Disaster Response And Fire Service Department, Nellore On “On 19/10/2017.

Diwali is a time to spread happiness, but the noise and the air pollution caused due to fireworks may cause discomfort to others especially older people. So it is better if you celebrate this festival with care and sensitivity. Better use fireworks that create less noise and pollution.

2. Yoga instructor training program (100 members from EEE students):

“Yoga day” was celebrated in Narayana Engineering College Nellore in C-blockmain auditorium from 23-08-2017 from 4:10pm to 5:00pm. Yoga is an invaluable gift of India's ancient tradition. It embodies unity of mind and body; thought and action; restraint and fulfillment; harmony between man and nature; a holistic approach to health and well-being. Yoga is not just about exercise; it is a way to discover the sense of oneness with you, the world and the nature”.

3. World first Aids day:

“World first Aids day” was conducted in Narayana Engineering College Nellore at C-block in auditorium on 14-10-2017 by guest Dr. k. Srinivas Naik Garu.

World AIDS Day, designated on 1 December every year since 1988, is dedicated to raising awareness of the AIDS pandemic caused by the spread of HIV infection, and mourning those who have died of the disease. Government and health officials, non-governmental organizations and individuals around the world observe the day, often with education on AIDS prevention and control.

4. Electricity Safety Program:

“Electricity Safety Program” by Students Of Necn at Yanamala Palem, Nawabpet,Nellore on 15/11/2017

This session is mainly to create the awareness when People are injured when they become part of the electrical circuit. Humans are more conductive than the earth (the ground we stand on) which means if there is no other easy path, electricity will try to flow through our bodies.

5. Mass Plantation Program:

“Mass Plantation Program” was conducted by Students of NECN at Inamadugu, Kovuru, Nellore on 25/11/2017. The awareness of tree plantation among the people, and highlights are the need for planting and tending of trees as one of the best ways to prevent global warming and reduce pollution.

6. Awareness Program for Electricity Safety-Earthing:

“Awareness Program for Electricity Safety-Earthing” was conducted by Students of NECN at 33KV/11KV Substation, Harinadhpuram, Nellore. In this the students visited substation and supervisors guided them about electricity safety –Earthing.

7. Cancer awareness program:

On 23rd February Narayana engineering college, Nellore organized a “cancer awareness program” for the all EEE students by Dr.Srinivasulu, Ramachandra hospitals Nellore. In this session he discussed the Objectives of the Cancer Awareness and Educational Program.

- To create awareness of the disease.
- To educate people about the key risk factors of cancer since more than 30% of cancer cases could be prevented by modifying lifestyle or avoiding the key risk factors.
- To inform people about the importance of cancer check-ups at an early stage.

8. On 24th March 2018 Narayana engineering college, Nellore organized the NSS event **Distributing Pamphlets for Safety Precautions of Electricity** by our students.

This event gives the instructions for the people to investigate accidents and understand the importance of “near miss” identification. This course is intended for safety committee members, supervisors, Technicians, safety, Line Employees and those employees who may be part of an accident investigation Team.
