#### **NATIONAL SOLIDARITY DAY**

The department of MBA organized on 20<sup>th</sup> Oct 2018 **National solidarity day** in NECN. **National Solidarity** which is a mission assigned to the Ministry of Social Affairs, appears as a new concept at the institutional level but paradoxically former because rooted in our traditional values. Its objective is to contribute to the fulfillment of all in the community and encourage the patriotism in the young generation.

We believe in peace and peaceful development, not only for ourselves but for people all over the world. Our main preoccupation is with economic and social development at home and

peace and friendship abroad. Our Armed Forces, who have been guarding our frontiers, facing the rigours of winter in the mountains; who have been taking part in peace-keeping programmes under the auspices of the UNO and of the Geneva Agreements on Indo-China; whose sense of discipline, unity and loyalty inspires the whole nation, The whole nation remembers them today with gratitude, affection and admiration.
