Student Association Activities-Report

Date: 20-03-2021

The student association has organized an event for the students of III-MCA. As part of this event, the student coordinators have come up with various “Aptitude Questions” as a part of Aptitude and Reasoning Sessions the student coordinators are explained the methods of analyzing the questions and some tips to increase accuracy and speed. This will help them to challenge the aptitude tests with ease during the government exams or campus placements.

Student Coordinators are explaining Puzzles and solving Logics

Student Coordinators are explaining Aptitude Questions to the students

Finally the session is useful to the students they get analysis about the Puzzles and Data Interpretation and the session is very interesting still some of the students are raised with different problem hence the session is continued for next SAA Event .
