Date: 17-02-2022

This is to inform all the I & II MCA Student Association that there will be an activity on "INFYTO PLACEMENT SEMINARS" will be conducted i.e., on 19th February 2022, as a part of development of Technical Skills in Placements. This session is very helpful to develop the coding standards during placements to build a good technical career. Hence, all the students must attend the college and learn the topics thoroughly.

**Student Association Activities-Report**

**Date: 19-02-2022**

The student association has organized an event for the students of IMCA & II-MCA. As part of this event, the student coordinators have come up with various snippet of code which are explained in Infyq Placement sessions as a part of Campus placement Training. The trained students had explained about the tips of analyzing code and expecting the output of the code.

*Student Coordinators are explaining Coding tips to the students*

***Student Coordinators are explaining Placement Code Snippets***

The session is very interactive and students get clarified about the snippet of the code and its analysis and output of the code. The session is beneficial to the students and students clarified their doubts regarding to coding in Computer science and Infy Placement Sessions are completed.
